Unity asset package which is made by KM-GAMES in [https:\/\/assetstore.unity.com\/packages\/templates\/packs\/kings-card-swiping-decision-game-asset-105749](https:\/\/assetstore.unity.com\/packages\/templates\/packs\/kings-card-swiping-decision-game-asset-105749)

[Also very similar to "Be The King", which has more options based on the video, but their video is straight from asset store...](#)

[Probably missing functions as I dont get money in other ways than waiting years or getting lucky gains through luck cards.](#)
